

Anchor Winch Wiring Diagram B

RE: 01102013C

PRO SERIES II 1500 ELECTRIC DRUM WINCH

WARNING: Remember never to connect your battery leads until your installation is complete!

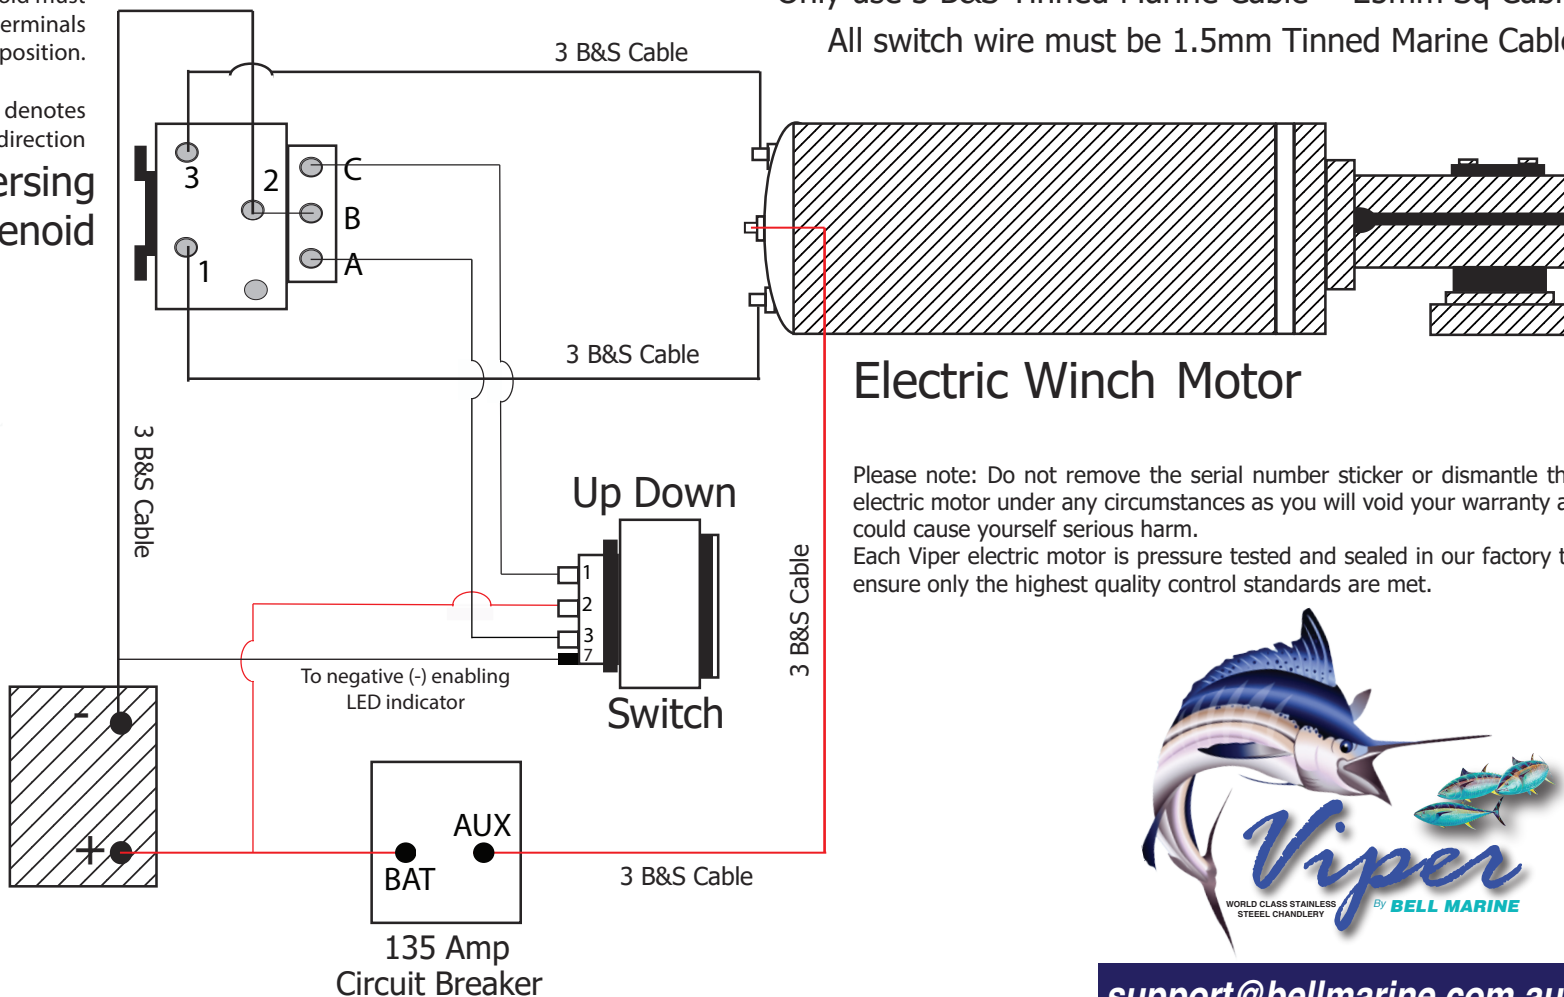

Only use 3 B&S Tinned Marine Cable = 25mm Sq Cable

All switch wire must be 1.5mm Tinned Marine Cable

Please note: solenoid must be mounted with terminals in the up position.

Polarity (+/-) only denotes motor rotation direction

Reversing Solenoid

Electric Winch Motor

Please note: Do not remove the serial number sticker or dismantle the electric motor under any circumstances as you will void your warranty as could cause yourself serious harm. Each Viper electric motor is pressure tested and sealed in our factory to ensure only the highest quality control standards are met.
